

The Noyes Home for Children 2014 Annual Report

It is with great honor to present our donors, volunteers, and partners with the Noyes Home for Children's first Annual Report. As 2014 marked not only our 120th birthday but also the first full year that the nursery and Pre-K services were provided, the Annual Report was yet another

opportunity to throw our doors open wider and provide the community with a snapshot of our service provision and financial overview.

As you review this Report, please note the impact that our Home, services, and mission continue to bring to St. Joseph and the surrounding communities. Of the 162 new admissions to our Home in 2014, 53 were under the age of four, (*these numbers do not include readmissions or repeat respite). This number is most impressive when you take into consideration that our Home has a 43 bed capacity, 8 of which are located in the nursery and Pre-K rooms. The Noyes Home primarily served children at-risk

and in need of care due to homelessness, 65% of admissions.

Another important highlight is the continued increase of support of our Home by the community. Whatever the gift...time, money, goods, or services...each one helped provide a child with basic necessities so many of us take for granted such as food, shelter, cleanliness, clothing, medical or dental services, and education. In return the Ladies Union Benevolent Association Board of Directors and staff have taken their fiscal responsibility seriously and worked diligently to ensure that 89 cents of every dollar donated to our Home goes directly to services and care of the children.

From the children, staff, and Board of the Noyes Home for Children, we thank you for your continued generosity. Know that you and your support make a difference each day and is not only needed but greatly appreciated. It is because of you that our Home has "been healing hearts and reconnecting families for 120 years". We look forward to 2015 and our 121st year.

Stephanie R. Ray, LCSW
Executive Director

89% of every dollar that comes into the Noyes Home goes directly towards services for our children.

In our 120 Year history the Noyes Home for Children has never received State or Federal Funding. We rely very heavily upon the generosity and charity of our community in order to keep our doors open to the homeless and at-risk children in our area.

As a 501(c)3 Non-Profit Organization, all contributions made to the Noyes Home for Children are 100% Tax Deductible to both individuals and organizations.

Please consider becoming a Supporter of the Noyes Home and our Mission!

THE NOYES HOME FOR CHILDREN

801 N. Noyes Blvd.

St. Joseph, MO 64506

816-232-5650 / 816-233-9585 (fax)

To Our Donors,

The Children, staff, and board of the Noyes Home for Children cannot begin to express our appreciation for your past charitable contributions. This year the Noyes Home is celebrating its “120th Anniversary,” a fact that could not have been realized without the generosity of our community. In 2014 alone, our home provided care to almost 200 children, 162 of whom were completely new to Noyes Home. With the establishment of our nursery and pre-k facilities, the Noyes Home has increased its services and now can offer care to all children ages birth to 18 years of age that need us.

However, continual needs have a way of exceeding our means. Not only has the Noyes Home been providing care for a continually growing number of children, the needs of the children coming to us have increased substantially. For this reason the State of Missouri has recognized the Noyes Home for Children as being eligible to offer all of our generous donors an extra incentive for their gifts. Through the State of Missouri’s “Champions for Children” program, all donations made to the Noyes Home during 2015 equaling \$100 or more will qualify the donor to earn 50% of their contribution back in the form of a Tax Credit!

As seen in the chart below, this program offers a real “win-win” to all those who donate to the Noyes Home for Children. Not only will you earn 50% of your donation back as a tax credit, but your donation will go to the continual support of our home and our children.

Champions for Children Tax Credit Information

Donation to the Noyes Home for Children	\$100	\$500	\$1,000	\$2,500	\$5,000
Federal tax deduction (assuming 28% tax bracket)	\$28	\$140	\$280	\$700	\$1,400
MO income tax savings (assuming 6% tax bracket)	\$6	\$30	\$60	\$150	\$300
Additional MO income tax saving from CFC tax credits	\$50	\$250	\$500	\$1,250	\$2,500
Donor Tax Savings	\$84	\$420	\$840	\$2,100	\$4,200
Donor's Out-of-Pocket Costs	\$16	\$80	\$160	\$400	\$800

Your generous gifts will go towards the fulfillment of the many needs of the home. The current list includes many different needs such as:

1. The creation of a “Therapeutic Garden” for children which encourages physical and mental stimulation.

2. Funds to support activities outside of our home such as passes for the children to go to Worlds of Fun & Oceans of Fun, sporting events, art and theatre venues, and other special events.
3. Repairs to our kitchen facility. Preparing three meals each day and snacks for 32-40 children daily puts a lot of wear on our kitchen's appliances, so repairs and replacements are needed.
4. **And of course there is always the need to support our general operating functions here at the Noyes Home for Children.** Supporting these costs may not seem as important, but due to the fact that our home receives no State or Federal funding, general operating is the most important financial need we have. General operating includes the day-to-day costs of keeping our doors open to the children of our community; food, clothing, diapers, professional staffing, etc. This year the Noyes Home for Children must raise approximately \$650,000 to cover expenses associated with the care and services we provide to our children.

Again, we thank you for your past generosity, and encourage you to take advantage of the amazing tax benefits offered by the "Champions for Children" program. Please clarify that you wish to receive the tax credit benefits by identifying your donation as a "CFC Donation." These benefits expire December 31, 2015. If you have any questions or need additional information about "Champions for Children" benefits, please feel free to contact the Noyes Home for Children. Also, if you or your organization would be interested in hosting a fundraiser for the children of the Noyes Home, please contact us.

Thank you so much for your support. If not for the generosity of individuals and organizations like you, the Noyes Home for Children would never have been able to play such a positive role in the lives of the thousands of children that have come through our doors over the last 120 years.

Sincerely,

Dustyn Holland
Marketing & Fund Development Director
Noyes Home for Children
